Our Vision And Values

Canberra City Uniting Church is a diverse community of people who, by word and action, seek to share the good news of the love of God seen in Jesus Christ.

We try to be an inclusive community providing a place of nurture and care for people of different cultures, abilities, ages, family structures and sexual orientations.

As a congregation of the Uniting Church in Australia, we aim in our worship to bring people into the presence of God, through ordered, thoughtful and innovative liturgy and scholarly interpretation of the Bible. We foster a strong commitment to social justice and peace, both in Australia and in the rest of the world.

As a city church we endeavour to serve the local community as disciples of Christ. We aspire to live as responsible stewards of the earth and its resources, which we understand to be part of God's creation.

Music Ministry

Part of my hope, and indeed part of your call to me, is to broaden the musical spectrum at Canberra City church and build upon the diversity of musical forms already in place. While we will continue using the organ each Sunday I hope to use other music for different forms of accompaniment and leadership that is better suited. This will include the excellent band who played at my induction but I also want to give others a chance and as the new kid I don't really know who can do what yet. So if you'd like to offer your musical abilities to the music ministry at Canberra City, I'd like to hear from you.

- Can you sing and would you be willing to be part of learning and leading new music?
- Can you play guitar, piano, flute, recorder or some other instrument?
- Can you play hand held percussion or perhaps have a cajon drum at home you'd like to bring and use?

The brief is pretty wide. If you think you can be part of our music ministry, let me know who you are, what you can offer and how often you'd be willing to take part. Paul Chalson
