

## Your support will help

As a Friend of the Early Morning Centre (EMC), you will be part of a group of like-minded people who share the vision of the EMC to support vulnerable people in our community and have committed to providing ongoing support for this vital work. Each quarter the Friends receive a newsletter with information on activities and also receive invitations to special events.

The EMC on Northbourne Avenue, Canberra City was established in 2005 to provide a safe place for some of our city's most vulnerable people. With the help of dedicated volunteers, we provide a much needed service that is more than just a meal. It's a place where often marginalised people are treated as guests in our community 'home'. Our guests are provided with a place where they feel safe and respected, where they have a voice and can be heard, and where they are part of a community that supports them.

## You will make a huge impact ... our guests say

*"The service, atmosphere, quality of food – fresh veggies, they set the plates – not a lucky dip of leftovers like everywhere else"*

*"Who's heard of table service for the poor? No lining up, free food like this? I feel spoiled, it starts my day off - there's no 'here's your food and that's it' - plus, they ask if you want more! They want you to have a good day"*

*"When I first came in it spun me out - them asking me what I want"*

*"A year and a half ago I was homeless and used your services for food and showers while I lived in my car for months. [Now] I am walking past in my suit and tie on a break from my interview for a very good job. Thanks for your part in getting me to this point. I am very grateful."*

Your support would also provide so much more. We are now implementing social cohesion and community development projects and programs, as resources allow, to assist in creating more lasting change for our guests.

Ongoing activities in our community include poetry, art, footy tipping competition, literacy and numeracy support, and the choir group (Jumpin' Gateway Singers).
