Our Vision And Values

Canberra City Uniting Church is a diverse community of people who, by word and action, seek to share the good news of the love of God seen in Jesus Christ.

We try to be an inclusive community providing a place of nurture and care for people of different cultures, abilities, ages, family structures and sexual orientations.

As a congregation of the Uniting Church in Australia, we aim in our worship to bring people into the presence of God, through ordered, thoughtful and innovative liturgy and scholarly interpretation of the Bible. We foster a strong commitment to social justice and peace, both in Australia and in the rest of the world.

As a city church we endeavour to serve the local community as disciples of Christ. We aspire to live as responsible stewards of the earth and its resources, which we understand to be part of God's creation.

RALLY! StopAdani - Climate Action Now!

09:00-10:30 Tuesday, 12 February 2019 at Parliament House

The pollies will be back to work and when they switch on their office lights and fire up their computers, 78% of the electricity that they use will have come from sun, wind and hydro, because of the ACT's climate policies. But many of them are coal-fondling climate change deniers. Join the EG to protest the first sitting day of parliament to let everyone know that 2019 is the year we stop the Adani Carmichael coal mine and take serious action on climate! No matter who's in government, this mine can't go ahead. The majority of the population opposes opening up the Galilee Basin to coal mining. Let's make 2019 the year when Australia decides to act on climate!
