COVID-19 Update

The ACT Government has eased some restrictions on the number of people that can participate in activities. The primary constraint is now the physical size of the space to be used and the consequent maximum numbers based on the 4sqm rule.

The Church Council is finalising our COVIDsafe plan and will then consider when gathered services will resume.

We will provide updates via email and Facebook when a decision has been made but for the present there are still no gathered services.

Winter Edition of Insights Magazine

The NSW/ACT Synod Insights printed magazine is now available from our church office. This edition contains interesting articles related to the COVID experience and what it might mean for the church in the future. You can collect a copy from the church office between 9.00am and 4.00pm on weekdays (Enter from the plaza) or request a posted copy by sending an email to the church office with your preferred postal address.
