Film Group-on-Line - 3 July 2020 12pm

A change of pace for the coming meeting of the Film Group with the film, **"The Conversation"** available from SBS on Demand. This film directed by Francis Ford Coppola in 1974 is a gripping study of electronic wiretapping told through the life of Harry Caul (Gene Hackman) a lonely and detached surveillance expert. The drama evolves slowly and has some nail-biting moments. The now ancient-looking electronic equipment is interesting to see but does not detract from the plot.

If you would like to take part:

- Use your SBS on Demand account (available free on the SBS website) to view the film before our Zoom meeting.
- Log into Zoom using the link Justine will send you at 12pm 3 July 2020

Please let Justine know if you would like to participate (Justine.gibbings@unb.ca) so you may be included in the invitation .

COVID-19 Update

The Church Council has decided to delay the resumption of Sunday Morning Services until at least mid August to allow time to see if there are any new COVID cases in the ACT following travel during the school holidays.

Our COVIDsafe plan for the church facilities requires that anyone, including church members, who want to use our facilities must provide details of how they plan to ensure that those attending comply with the COVID restrictions including hygiene and distancing requirements. The number of people in each area is still limited by COVID rules.
