COVID-19 Update - 22 July 2020

The Church Council has discussed the question of resuming gathered worship services and has agreed to begin planning with a target start date of the 23 August 2020.

Gathered services will still be constrained by the need to maintain social distancing and hygiene procedures and full details of the arrangements will be advised before the start date.

A final decision about the resumption will be made closer to the date taking into account the public health advice current at the time.

When we resume gathered services we will still continue producing some online material for those who feel uncomfortable about gathering or are unable to attend.

Our COVIDsafe plan for the church facilities requires that anyone, including church members, who want to use our facilities to host events must provide details of how they plan to ensure that those attending comply with the COVID restrictions including hygiene and distancing requirements. The number of people in each area is still limited by COVID rules.

Interfaith service for nuclear disarmament on Hiroshima Day

The International Campaign to Abolish Nuclear Weapons group and the Uniting Church are co-hosting a 45 minute Zoom interfaith service on **Thursday 6th August at 6 00pm.**

We look forward to commemorating the 75th anniversary of the nuclear attacks on Hiroshima and Nagasaki, and honouring the survivors with a commitment to action for the nuclear ban treaty. You need to register to access the Zoom service (it's free):
