Gathered Services

We currently have a gathered service each Sunday at 10.00am and City@night also meets at 5.15pm. The numbers are limited to a maximum of 50 people. There will be no morning tea and no singing at present and of course people will need to *practice appropriate social distancing*. You need to "register" for the 10.00am service prior to each Sunday so that we do not exceed this maximum number. You can register on line from 6.00am on Monday until 6.00pm on Saturday unless we reach the 50 people limit earlier. Use the link below to go to our COVID web page (covid.canberracityuca.org.au) then click on the *Register Here* button. If that is not convenient you can ring or email the church office during business hours.

We continue to produce online material for those who feel uncomfortable about gathering or are unable to attend.

Notices For City's Connections

Please let the office know by Thursday if you have a notice for inclusion.

Keep Giving Electronically

Even though we are hoping to continue with gathered services you might like to still give electronically as this helps the church plan with confidence.
