

Who We Are

Canberra City Uniting Church is a diverse community of people who, by word and action, seek to share the good news of the love of God seen in Jesus Christ.

The values which are important to us:

- We try to be an inclusive community providing a place of nurture and care for people of different cultures, abilities, ages, family structures and sexual orientation.
- As a congregation of the Uniting Church in Australia, we aim in our worship to bring people into the presence of God, through ordered, thoughtful and innovative liturgy and scholarly interpretation of the Bible.
- We foster a strong commitment to social justice and peace, in both Australia and the rest of the world.
- As a city church we endeavour to serve the local community as disciples of Christ.
- We aspire to live as responsible stewards of the earth and its resources, which we understand to be part of God's creation.
