## **Public Notice – Coronavirus Pandemic**

Canberra City Church has considered the government advice and other recommended measures to reduce the spread of the coronavirus in Australia and has decided to suspend all its gathered activities including worship services.

**No public church actives including worship services  
at this site from 21 March 2020.**

We are however keen to maintain communication with our members and the community at large. Please send us an email or call the office and leave a message. We will then respond as soon as possible.

We look forward to resuming normal activities when circumstances improve.
